### ABOUT THE COLLEGE

---

Jagdish Saran Hindu (P. G.) College, Amroha was established in 1960 by Sahu Jagdish Saran Ji with the donation of more than One Lac rupees and nearly 17 acres of land. Agra University granted affiliation to the college in 7 subjects at Degree level. M. A. classes were started in 1965 in English, Political Science, Economics, Geography and Hindi. The college continued to make progress and had more than 600 students by 1973, it was affiliated to M. J. P. Rohilkhand University, Bareilly in 1975. More rooms were constructed with the aid of U.G.C. and donations from Public and members of managing committee. B.com classes were introduced in 1980 and three rooms were constructed on 1<sup>st</sup> floor with donation money. U.G.C. grants were helpful in constructing Labs for Geography and Psychology. N.R.S.C. was constructed to provide sports facilities to the students.

## ABOUT THE PROGRAMME

---

Research provides new domain of knowledge, new theories and laws, solution to a problem and open new area of thought. Further, it has the potential to question and analyse the existing theories in accordance to the present circumstances. Hence, it is important for educational/professional academicians to be acquainted with the process of research i.e., research methodology. It is worth mentioning that research is a systematic process and the knowledge of research methodology helps to understand what to do in specific situation. Therefore, it is very much important for a researcher to know all the aspects and steps of research process in order to make it systematic to a greater degree and hence, to put an end to objections raised over the reliability and validity of his/her work.

## OBJECTIVES

---

- Giving basic training how to conceive a sound research proposal.
- Enhance skills to prepare an appropriate research design, including conducting an overview of literature, formulating research questions and hypotheses, collection of information and analysis.
- Data Processing and analysis – techniques – how to read the data and how to interpret the data, etc.
- Enhance capacity for writing a research.

## THEMES

---

- ❖ Social Research: Nature, Importance and Types
- ❖ Qualitative and Quantitative Research in Social Sciences
- ❖ Research design and its conceptualization
- ❖ Review of Literature and its process
- ❖ Formulation of Hypothesis and its types
- ❖ Universe and Sampling

- ❖ Methods and Tools of Data Collection
