

# Dr. Mridul Bhalwar

Assistant Professor

---

## Experience

---

### Research Experience: 4 years

#### **Analytical Research Lab**

#### **Chemistry Department, Hindu College, Moradabad**

Four Research papers were published during that duration. Out of which 2 were globally published.

Low-Voltage Paper Electrophoretic Study of Ion-Pair Formation and Electrochromatography of Inorganic Anions on Papers Impregnated with Titanium (IV) Tungstate - Journal of Chromatographic Science, Volume 39, Issue 11, November 2001, Pages 463–467

Complexation ion exchange electrochromatography of metal ions on papers impregnated with titanium (IV) tungstate - Journal of the Indian Chemical Society; CODEN JICSAH; Volume 77(6); Pages 307-310

### Teaching Experience:

2002 - Now

#### **Assistant Professor**

**Department of Chemistry, J.S. Hindu PG College, Amroha**

## Education

---

High School - 1986

**Science (59.6%)**

Intermediate - 1988

**Science with Biology (58%)**

Bachelor of science (BSc)- 1992

**Biology and Chemistry (58%)**

Master of science (MSc) - 1992

**Biology and Chemistry (63%)**

Doctor of Philosophy (PhD)- 2002

**Low voltage paper and thin layer ionophoresis**

## Contact
