- College to Khair best hai Magar thodi si uski marmmat aur paint vagaira Ho jaaye to bahut achcha hoga dhanyvad
- College is good but facilities like that of studies with technology, sports facilities, library, cleaned toilets all of them are missing and are highly required.
- Classes for English-medium and Hindi-medium students must be kept separate.
- The laboratories need to be modernized and improvised by changing old and incorrect instruments with new and correct instruments.
- Practical time for Chemistry and Physics should be given on weekly basis. These practical classes should be kept separate from theory classes.
- Teachers for Vocational Subjects must be hired. The time table should be made in such a way that time to all subjects, including vocational subjects is devoted.
- Attendance should be taken on registers that are given by college. Teachers should take care that students who are not present in the class are not being marked as present by other students.
- शिक्षा व्यावहारिक होनी चाहिए, ना कि सैद्धांतिक। जिससे बच्चों के उत्तम व्यक्तित्व का विकास हो सके। शिक्षक बच्चों को उत्साह के साथ बढ़ाए ना कि इस तरीके से कि उन्हें नींद ही आ जाए। शिक्षक बच्चों को कक्षा में धैर्य पूर्ण समझाएं ना कि उन पर गुस्सा हो और अपनी कक्षा में समय पर उपस्थित होने चाहिए।
- Number of classrooms should be increased,
- Teachers' count is not sufficient.
- In my course there are only two teachers for teaching nine subject,
- Modern technology should be adopted for teaching i.e smart board followed by ppt etc.
- The college is good enough.The only thing needed to improve in the college is its class furniture. And some modern facilities should be implemented in the college like internet facilities etc.
